

Greenman Archers Improvement Programme

This programme designed to help you practice your shooting at different distances. After 6 sighters, 3 dozen arrows shot at a 122cm face at increasing differences. The first round to be shot at 20yds, then progressing to 30, 40, 50, 60,80 an 100yds with the aim of scoring 252 or better (alternative scores apply for other bow types). Badges are awarded from 40yds onward and can be claimed after submitting two completed score sheets to the club record officer.

Many clubs have similar schemes in place in the UK and applies to all archers irrespective of bow type. There are two main aims:

- Improve your shooting and build a set of sight marks
- Reduce the amount of time spent looking for arrows (and saving you money in lost arrows)
- Learn to score fill out scorecards properly

The Rules:

- Six sighters to be followed immediately by three dozen scored arrows.
- 5-zone scoring (Gold = 9, Red = 7, Blue = 5, Black = 3, White = 1) using a 122cm target face.
- The three dozen arrows may be shot alone or as the first three dozen of a longer Imperial round.
- Distances must be completed in sequence.
- Scores to be logged on your progression score sheet.
- Scores need to be achieved twice to qualify for the next distance.
- Scores required for each distance/bow type are as follows:

Distance (yds)	Recurve Score	Award	Compound Score	Longbow Score	Barebow Score
20	252		280	164	189
30	252		280	164	189
